Department of Industries

Notification

8/11/2007-IND

The Government of Goa is pleased to formulate the following Scheme in the State of Goa, namely:-

1 Short title and commencement.— (1) This Scheme may be called the Goa (Subsidy to **Clay Idol Makers**) Scheme, 2008.

(2) It shall come into force at once.

2 Objectives of Scheme.— Pottery and Clay Idol Making has been a traditional Goan cottage industry since times immemorial. These Idols are used in important Goan festivals like Ganesh Chaturthi, Statues placed in Cribs during Christmas, Idols being bought in Goan household for religious worships etc. The Scheme is intended to motivate traditional idol makers so as to encourage this ancient art form. Many local artisans earn their livelihood through this art form, which has been passed on from generation to generation. Of late due to competition from cheaper alternatives like Plaster of Paris, Polyfibre etc., the traditional idol making cottage industry has suffered considerably. It is therefore necessary to revive the same by active Government assistance by way of incentives like subsidy. This is expected to result in revival of clay idol making and ensure its continuity apart from ensuring gainful employment to traditional artisans. The subsidy shall be given to only those idols, which are manufactured in the State of Goa by local artisans registered with the GHRSSIDC. The subsidy shall cover only those idols, which are used for religious festivals, like Ganesh Chaturthi, Christmas, etc. and are actually sold to the public. Unsold idols will not be covered under the Scheme.

3. This Scheme shall be implemented through the Goa Handicrafts, Rural and Small Scale Industries Development Corporation Ltd. (hereinafter called the "GHRSSIDC").

The subsidy will be given to the registered artisans after they submit their applications in the prescribed proforma to the GHRSSIDC. The GHRSSIDC will scrutinize each application received from the registered artisans and verify the production capacity of the respective artisan. The artisan shall have to submit an undertaking that these idols have been actually produced by him and not imported from outside the State.

5 Eligibility for availing benefits under the Scheme.— This Scheme will be open for all traditional clay idol makers/artisans who are registered with the GHRSSIDC. The maximum number of idols eligible for subsidy will be restricted to 150 per artisan per year.

The officials of GHRSSIDC shall access the manufacturing capacity of the artisans concerned by visiting their manufacturing unit/cottage industry. Physical count of clay idols shall be undertaken in the presence of the artisan. The artisans who apply for subsidy under the Scheme shall be required to maintain records of idols produced and sold, as per the proforma provided by the GHRSSIDC.

6 Appraisal Committee.— There shall be an Appraisal Committee consisting of Chairman, GHRSSIDC, M. D., GHRSSIDC, one Director to be nominated by the Board of GHRSSIDC and a representative of Government of Goa. The Committee shall scrutinize the applications received from artisans, for approval.

7 Criteria for selection of artisans for subsidy.— The subsidy will be given to local artisans registered with the GHRSSIDC, on first come first served basis, to the extent of availability of budget/funds.

8. The Government shall reimburse the subsidy component under the Scheme to the GHRSSIDC as per the actuals. 50% of the subsidy shall be released by the Government to the Corporation

at the time of implementation of the Scheme and the balance upon receipt of utilization certificate.

9. The Government reserves its right to modify any clause of this Scheme or issue directions and the GHRSSIDC shall abide by the directions of the Government.

An undertaking will have to be submitted by the beneficiary that the information submitted by him is correct. If any false information is submitted by the beneficiary concerned, then his subsidy claim shall be rejected by the GHRSSIDC.

The maximum amount of subsidy applicable to each beneficiary shall not exceed **Rs. 15000/-**.

(3) The subsidy shall be paid to the Artisans by cheque drawn in favour of registered artisan, after the funds are received from the State Government.
